Section 1. The sum of \$1,000,000 is appropriated for the planning, acquisition and construction of a new Early Learning Center in the City of Hartford, and for administrative, printing, legal and financing costs related thereto (the "Project").

Section 2. The total estimated useful life of the Project is not less than twenty years. The total estimated cost of the Project is \$4,500,000 and the cost of the Project is expected to be defrayed by a grant from the Connecticut Department of Social Services ("DSS") pursuant to the School Readiness and Child Day Care Program established by Public Act. 97-259, as amended (the "School Readiness Act") in the amount of \$450,000, a loan from the Connecticut Health and Educational Facilities Authority ("CHEFA") pursuant to the School Readiness Act in the estimated amount of \$3,600,000 and by bonds of the City in the estimated amount of \$450,000.

Section 3. To meet the portion of the Project to be paid by the City, not exceeding \$1,000,000 bonds of the City, or so much thereof as shall be necessary for such purpose shall be issued, maturing not later than the twentieth year after their date. Said bonds may be issued in one or more series in the amount necessary to meet the City's share of the cost of the Project provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, printing and legal costs of issuing the bonds. The bonds shall be in the denomination of \$5,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the City by the facsimile or manual signatures of the Mayor and the City Treasurer, bear the City seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, Hartford, Connecticut. The bonds shall be general obligations of the City and each of the bonds shall recite that every requirement of law relating to its issue has been duly complied with, that such bond is within every debt and other limit

prescribed by law, and that the full faith and credit of the City are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds, including approval of the rate or rates of interest, shall be determined by the Mayor and the City Treasurer in accordance with the General Statutes of the State of Connecticut, as amended.

Section 4. The bonds, or any series thereof, may be issued and sold as variable rate bonds, or as fixed rate bonds, as determined by the Mayor and City Treasurer. If sold as fixed rate bonds, the bonds may be sold by the Mayor and City Treasurer in a competitive offering or by negotiation, in their discretion. If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest net or true interest cost to the City. A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least seven days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds. If the bonds are sold by negotiation, the terms and conditions of the purchase agreement shall be approved by the Mayor and the City Treasurer. If the bonds are issued as variable rate bonds (“Variable Rate Bonds”), the structure, terms and conditions of said Variable Rate Bonds shall be approved by a bond sale committee comprised of the Mayor, the Treasurer, Director of Finance, Chair of the Finance Committee of the Council (or any successor Council Committee vested with the power and duties of the Finance Committee) and one Council person appointed by the Chair of the Finance Committee (the “BSC”).

Section 5. The BSC, in connection with the issuance of Variable Rate Bonds, is authorized to approve the terms and conditions of, including necessary covenants, limitations and restrictions on the City necessary to obtain, standby bond purchase agreements, letters of credit, lines of credit, financial guaranty insurance policies, guarantees of the City or third parties, surety agreements, or any similar agreements (“Credit Facilities”) with one or more financial institutions providing Credit Facilities (“Credit Facility Providers”) to provide for additional security for and the purchase upon tender of Variable Rate Bonds, if any, under circumstances set forth in the Indentures (defined herein). The Mayor and City Treasurer, in the name of the City, are hereby authorized to execute and deliver the Credit Facilities, and the approval of the City shall conclusively be evidenced by their signatures thereon.

Section 6. The BSC, in connection with the issuance of Variable Rate Bonds, is authorized to approve the terms and conditions of indentures of trust or other instruments of trust (“Indentures”) with commercial banks or national banking associations with trust powers or trust companies to be appointed by the Mayor and City Treasurer (“Trustees”), which provide for, among other things, the interest rate modes for the Variable Rate Bonds, the procedures for conducting auctions of Variable Rate Bonds in an auction rate mode, the denominations of the Variable Rate Bonds, the tender rights of holders of the Variable Rate Bonds, if any, the rights of redemption and redemption prices for the Variable Rate Bonds, the payment of certain fees, the imposition of certain covenants, limitations and restrictions on the City necessary to issue the Variable Rate Bonds, and the execution of various other instruments. The Mayor and City Treasurer, in the name of the City, are hereby authorized to execute and deliver the Indentures, and the approval of the City shall conclusively be evidenced by their signatures thereon.

Section 7. Interest rates on Variable Rate Bonds shall be determined by such remarketing agents, investment banking firms or other financial institutions as the BSC shall appoint (the “Reoffering Agents”). The BSC, in connection with the issuance of Variable Rate Bonds, is authorized to approve the terms and conditions of, including necessary covenants, limitations and restrictions on the City necessary to enter into, remarketing agreements, broker-dealer agreements, auction agency agreements and other agreements with the Reoffering Agents (the “Reoffering Agreements”), which shall provide for, among other things, the terms and conditions for reoffering the Variable Rate Bonds, the Reoffering

Agents' compensation and the disclosure of the City's financial condition. The Mayor and City Treasurer, in the name of the City, are hereby authorized to execute and deliver the Reoffering Agreements, and the approval of the City shall conclusively be evidenced by their signatures thereon.

Section 8. The BSC, in connection with the issuance of the Variable Rate Bonds, is authorized to approve the terms and conditions of, including necessary covenants, limitations and restrictions on the City necessary to obtain, an interest rate swap agreement in the form of the International Swaps and Derivatives Association, Inc. (ISDA) Master Agreement, together with applicable annexes, schedules and confirmations thereto, contracts to manage interest rate risk, including interest rate caps, options, puts, call or similar arrangements, or such other agreements permitted by the General Statutes of Connecticut, as amended ("Swap Agreements"), with one or more counterparties to be selected by the Mayor and the City Treasurer, as Swap Provider (the "Swap Providers"), which provides for, among other things, the effective date or dates of the Swap Agreements, the rate of interest to be paid by the City to the Swap Providers on the principal amount of the Variable Rate Bonds (which may be a fixed rate or a variable rate based on an index determined by the Mayor and the City Treasurer), the rate of interest to be received by the City from the Swap Providers (which may be a fixed rate or a variable rate based on an index determined by the Mayor and the City Treasurer), the payment of certain fees, the imposition of certain covenants, limitations and restrictions on the City, and the execution of various other instruments. The BSC may, in the best interests of the City, pledge the full faith and credit of the City to any and all payments to be made by the City with respect to the Swap Agreements, including, any termination or netting payments to be made by the City. The Mayor and City Treasurer, in the name of the City, are hereby authorized to execute and deliver the Swap Agreements, and the approval of the City shall conclusively be evidenced by their signatures thereon.

The Mayor and City Treasurer, in the name of the City, are hereby authorized to, and if any such action shall heretofore have been taken, such action is hereby ratified and confirmed, (a) publish such notices, hold such hearings, make such representations and agreements, and take such other actions as shall be necessary to enable Bond Counsel to render its opinions as to the validity of the Variable Rate Bonds and the exclusion of the interest on the Variable Rate Bonds from gross income for federal income tax purposes, (b) make, execute and deliver all such additional and supplemental documents, including, but not limited to any tax compliance agreements, tax certificates, tax forms, investment agreements or assignments, (c) appoint Credit Facility Providers, Trustees, Reoffering Agents, Swap Providers and any other consultants or professionals required and (d) do and perform such acts and take such actions as may be necessary or required for the consummation of the transactions provided for and contemplated by this ordinance.

Section 10. The Mayor and the City Treasurer are authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. The Notes shall be issued and sold in the manner as shall be determined by the Mayor and City Treasurer. Notes evidencing such borrowings shall be signed by the Mayor and the City Treasurer, have the seal of the City affixed, be payable at a bank or trust company designated by the Mayor and the City Treasurer, be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford, and be certified by a bank or trust company designated by the Mayor and the City Treasurer pursuant to Section 7-373 of the General Statutes of Connecticut, as amended. They shall be issued with maturity dates which comply with the provisions of the General Statutes governing the issuance of such notes, as the same may be amended from time to time. The notes shall be general obligations of the City and each of the notes shall recite that every requirement of law relating to its issue has been duly complied with, that such note is within every debt and other limit prescribed by law, and that the full faith and credit of the City are pledged to the payment of the principal thereof and the interest thereon. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, may be included as a cost of the Project. Upon the sale of the bonds, the

The Bonds shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the Project, or such later date the Regulations may authorize. The City hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Director of Finance or his designee is authorized to pay Project expenses in accordance herewith pending the issuance of reimbursement bonds.

Section 14. The Director of Finance is hereby authorized, on behalf of the City, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to nationally recognized municipal securities information repositories or state based information repositories (the "Repositories") and to provide notices to the Repositories of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution.
